

## DAVID LUBANS

Professor

**Prof. David Lubans** is one of the world's leading authorities on physical activity promotion in schools. He is currently a Professor at the University of Newcastle and the Deputy Director of the Centre for Active Living and Learning. In 2022, he joined the Faculty of Sport and Health Sciences at the University of Jyväskylä as a Visiting Professor.

The major focus of his multi-disciplinary program of research is the design, evaluation, and dissemination of school-based physical activity interventions. Much of his research has involved inter-sectoral partnerships with government and non-government organisations. Prof. Lubans has been recognised as a 'Clarivate Highly Cited Researcher' (top 1% most cited for subject field and year of publication) for the past four years (2019 to 2022).
