

## MARTYN ROTHWELL

PhD

**Martyn Rothwell**, PhD is a mentor for coaches deploying constraints-based methodologies and recently a Senior Lecturer in Sport Coaching and Performance, and an Associate Researcher within the Sport and Human Performance Research group, at Sheffield Hallam University, UK. Over the past 15 years Martyn has been committed to developing a parallel career in higher education and sport coaching.

Martyn continues to conduct multidisciplinary research in high performance sport settings and is a World Cup winning coach with the England Wheelchair Rugby League team. He now holds a visiting research and advisory role with the University of Waikato, New Zealand.
